Read the text carefully then do the activities

My brother and I had a trip to Miami last summer. I shall never forget it. My grandparents lived there and they wanted us to go and visit them. We thought of the beaches and the wonderful climate, so we decided to go. We also wanted to see our grandparents.

We got up early because we had a reservation on an early flight to Miami. We were all excited about the trip. When we got to the garage to take our car, we saw it had a flat tyre. So a friend came to drive us to the airport. This made us arrive late to the airport and we missed our plane. Then, we had to wait for three hours for another flight. When we arrived, we found grandfather at the airport waiting for us and we ran to kiss him.

We stayed for three weeks and we had a terrible time. On the second day, my grandmother fell down and broke her arm. On the fifth day, I had an accident with my grandfather's car. In addition, the weather was not pleasant. It rained almost every day and the sun didn't shine. We didn't go to the beach one time!
